

MAC Youth Reopening

SAFETY OUTLINE

After church weekend services reopen, MAC Youth will reopen on Friday, 5th November 2021.

MAC Youth can open for ALL, regardless of vaccination status, with the 4sqm indoors and 2sqm outdoors rule applying.

MAC Youth will apply the following COVID safety practices. This includes but is not limited to:

- Making the most of outdoor areas.
- Increasing ventilation indoors by opening windows, doors etc.
- Having a sign-in process and keeping a record of people who have come on site for 28 days.
- Having hand sanitiser available.
- Enforcing the density rules.
- All who are 12 years and older will be required to wear face masks indoors. Those 11 years and under will be encouraged to wear a mask indoors where practicable.
- Maintaining good hygiene.
- All food handling and serving will be done in a COVID safe way (gloves, masks, serving utensils, outdoors where possible, onsite preparation where possible, proper washing and cleaning practices etc).

There will, no doubt, be more changes to our ministry practices. MAC Youth will continue to navigate these changes with clarity and compassion.

Thank you for your support and patience as we navigate this.
